WHY I WANT TO JOIN CLUB??

"I believe that by joining this club, I will gain valuable problem-solving skills, hands-on learning experiences, and opportunities for skill development. Networking with both seniors and juniors will allow me to expand my connections within the field, fostering innovation and creativity. Moreover, I am committed to working on my personality and becoming more multi-dimensional. I seek to enhance myself and gain exposure to new perspectives and ideas. Ultimately, I am eager to learn new things...
